OUR BELIEF

A successful energy deal rests on three things: clear terms, confirmed specifications and sound documents. That is the standard we hold ourselves to with every party we work with.

WHO WE ARE

About Atlas Sulfur Trading

Atlas Sulfur Trading LLC is an Omani limited liability company engaged in the wholesale trading of petroleum products and in commercial brokerage of crude oil, petroleum derivatives and intermediate products.

The company is registered in the Special Economic Zone at Duqm and operates from Muscat, under licences issued by the Ministry of Commerce, Industry and Investment Promotion of the Sultanate of Oman.

We work on behalf of buyers and sellers who expect a deal to be handled with discipline — from the first enquiry to final settlement.
